Bolga Hat

These hand-woven, Kinkanhe Straw hats from Bolgantanga, Ghana are great for shading the head, neck and shoulders from the summer sun. These hats are very durable, have a sewn in leather band and are made to last for years.

To best mould to your head, simply wet and shape then dry. For many generations, women in Northern Ghana have been using traditional weaving methods and completely natural material (elephant grass) to create these robust and highly decorative hats.
